?? ??? ???? ???? Arie L. Eliav, 1988 In the words of the author, this book represents an attempt to raise anew the banner of human values--both Jewish and universal--sanctified in the Book of Books and it is a call to rally around this banner.

Chasing Chaos Jessica Alexander, 2013-10-15 Jessica Alexander arrived in Rwanda in the aftermath of the 1994 genocide as an idealistic intern, eager to contribute to the work of the international humanitarian aid community. But the world that she encountered in the field was dramatically different than anything she could have imagined. It was messy, chaotic, and difficult—but she was hooked. In this honest and irreverent memoir, she introduces readers to the realities of life as an aid worker. We watch as she manages a 24,000-person camp in Darfur, collects evidence for the Charles Taylor trial in Sierra Leone, and contributes to the massive aid effort to clean up a shattered Haiti. But we also see the alcohol-fueled parties and fleeting romances, the burnouts and self-doubt, and the struggle to do good in places that have long endured suffering. Tracing her personal journey from wide-eyed and naïve newcomer to hardened cynic and, ultimately, to hopeful but critical realist, Alexander transports readers to some of the most troubled locations around the world and shows

us not only the seemingly impossible challenges, but also the moments of resilience and recovery.

The Test Anya Kamenetz, 2015-01-06 [The anti-testing] movement now has a guidebook. . . . Kamenetz shows how fundamentally American it would be to move toward a more holistic system. -- New York Times Book Review The Test is an essential and critically acclaimed book for any parent confounded by our national obsession with standardized testing. It recounts the shocking history and tempestuous politics of testing and borrows strategies from fields as diverse as games, neuroscience, and ancient philosophy to help children cope. It presents the stories of families, teachers, and schools maneuvering within and beyond the existing educational system, playing and winning the testing game. And it points the way toward a hopeful future of better tests and happier kids.

The Letters of Arthur Schlesinger, Jr. Arthur Schlesinger, Jr., Stephen C. Schlesinger, 2013-10-29 This extraordinary collection gathers the never-before-seen correspondence of a true American original—the acclaimed historian and lion of the liberal establishment, Arthur Schlesinger, Jr. An advisor to presidents, two-time Pulitzer Prize winner, and tireless champion of progressive government, Arthur Schlesinger, Jr., was also an inveterate letter writer. Indeed, the term “man of letters” could easily have been coined for Schlesinger, a faithful and prolific correspondent whose wide range of associates included powerful public officials, notable literary figures, prominent journalists, Hollywood celebrities, and distinguished fellow scholars. The Letters of Arthur Schlesinger, Jr. reveals the late historian’s unvarnished views on the great issues and personalities of his time, from the dawn of the Cold War to the aftermath of September 11. Here is Schlesinger’s correspondence with such icons of American statecraft as Harry Truman, Adlai Stevenson, Hubert Humphrey, Henry Kissinger, Bill Clinton, and, of course, John and Robert Kennedy (including a detailed critique of JFK’s manuscript for *Profiles in Courage*). There are letters to friends and confidants such as Eleanor Roosevelt, John Kenneth Galbraith, Gore Vidal, William Styron, and Jacqueline Kennedy (to whom Schlesinger sends his handwritten condolences in the hours after her husband’s assassination), and exchanges with such unlikely pen pals as Groucho Marx, Sammy Davis, Jr., and Bianca Jagger. Finally, there are Schlesinger’s many thoughtful replies to the inquiries of ordinary citizens, in which he offers his observations on influences, issues of the day, and the craft of writing history. Written with the range and insight that made

Schlesinger an indispensable figure, these letters reflect the evolution of his thought—and of American liberalism—from the 1940s to the first decade of the new millennium. Whether he is arguing against the merits of preemptive war, advocating for a more forceful policy on civil rights, or simply explaining his preference in neckwear (“For sloppy eaters bow ties are a godsend”), Schlesinger reveals himself as a formidable debater and consummate wit who reveled in rhetorical combat. To a detractor who accuses him of being a Communist sympathizer, he writes: “If your letter was the product of sincere misunderstanding, the facts I have cited should relieve your mind. If not, I can only commend you to the nearest psychiatrist.” Elsewhere, he castigates a future Speaker of the House, John Boehner, for misattributing quotations to Abraham Lincoln. Combining a political strategist’s understanding of the present moment with a historian’s awareness that the eyes of posterity were always watching him, Arthur Schlesinger, Jr., helped shape the course of an era with these letters. This landmark collection frames the remarkable dynamism of the twentieth-century and ensures that Schlesinger’s legacy will continue to influence this one. Praise for *The Letters of Arthur Schlesinger, Jr.* “Schlesinger’s political intelligence in his correspondence is excellent, the level of discourse and purpose high, the sense of responsibility as keen as the sense of fun. . . . The best letters—and there are many—come from the typewriter of the public Schlesinger, the fighting liberal, especially when he’s jousting with a provocative antagonist.”—George Packer, *The New York Times Book Review* “Arthur Schlesinger’s letters are full of personal, political, and historical insights into the tumultuous events and enormous personalities that dominated the mid-twentieth century.”—President Bill Clinton

Stiletto Network Pamela Ryckman, 2013 During the past few years, professional women's groups have been coalescing in every major American city, collaborating to achieve clout and success--calling themselves Power Bitches, Brazen Hussies, and S.L.U.T.S.: Successful Ladies Under Tremendous Stress. This new girls' network is alive and set to hyperdrive! *Stiletto Network* is the first book to highlight this groundbreaking movement of these trailblazing women. However, these pages are not only about celebrating these extraordinary women--from captains of industry to aspiring entrepreneurs--who have come

together to celebrate, unwind, debate, and compare notes. They're also about what happens when these women leave the table--how they mine their collective intelligence to realize their dreams or champion a cause, how they lift up their friends and push them forward, how they join forces to ensure each woman gets whatever it is she needs to accomplish her goals. Sharing story after story of extraordinary women banding together to help other extraordinary women, Stiletto Network is both a celebration and a call to action to a better way of doing business.

The Body's Question Tracy K. Smith, Kevin Young, 2017-09-05 The debut collection by the Poet Laureate of the United States * Winner of the 2002 Cave Canem Poetry Prize * You are pure appetite. I am pure Appetite. You are a phantom In that far-off city where daylight Climbs cathedral walls, stone by stolen stone. --from Self-Portrait as the Letter Y *The Body's Question* by Tracy K. Smith received the 2002 Cave Canem Poetry Prize for the best first book by an African-American poet, selected by Kevin Young. Confronting loss, historical intersections with race and family, and the threshold between childhood and adulthood, Smith gathers courage and direction from the many disparate selves encountered in these poems, until, as she writes, I was anyone I wanted to be.

Charles Pettigrew, First Bishop-Elect of the North Carolina Episcopal Church (Classic Reprint) Bennett H. Wall, 2018-08-14 Excerpt from Charles Pettigrew, First Bishop-Elect of the North Carolina Episcopal Church As soon as he received the news of his appointment, Pettigrew resigned his position in Bute County and moved to Edenton. He became a member of the Church of England about this time and obtained a position as lay reader of St. Paul's Church in Edenton. Since several members of the vestry of St. Paul's Parish were trustees of the academy, it is reasonable to assume that he had contacted these men and made known to them his desire to become a minister of the Church of England. Whether or not that View is correct, it is known that while occupying the positions of schoolmaster and lay reader he engaged in the studies expected of candidates for ordination in that church. In the spring of 1775 he sailed for London where he was duly ordained deacon and priest by the bishops of London and Rochester.
