The Rahway Valley Railroad Donald A. Maxton, 2002 Many residents of Union and Essex Counties in New Jersey fondly recall the whistles of the Rahway Valley Railroad trains that rolled through the picturesque stations of Roselle Park, Kenilworth, Union, Springfield, and Summit. The Rahway's steam and diesel locomotives supported local commerce, provided passenger service, and carried a vast array of goods to and from local businesses. It connected the area with larger railroads, such as the Central Railroad of New Jersey, the Lehigh Valley, and the Delaware, Lackawanna and Western. One of the shortest yet most prosperous of American railroads, the Rahway Valley helped transform a rural region into one of New Jersey's most vital and populous areas. The Rahway Valley Railroad presents the story of this colorful short line with rare, vintage photographs of locomotives, passengers, stations, and train crews. It recounts how the Rahway Valley evolved from the New York and New Orange Railroad, linking Union County towns with Newark Heights (Maplewood), in adjoining Essex County. Images in this book include passengers riding Rahway Valley trains to picnics, church outings, and Springfield's world-famous Baltusrol Golf Club. Readers will learn how this feisty little line competed successfully for many years against the trucking industry and the interstate highway system during a time when many small railroads were dying out. The Rahway Valley Railroad tells the distinctively American story of a proud short line that competed with forces larger than itself and faithfully served the local merchants and residents who now remember it so fondly.

Our Farm Maya Gottfried, 2010 A collection of poems written from the perspective of past and present animal residents of Farm Sanctuary.

Last Night I Dreamed a Circus Maya Gottfried, 2003 Many children dream of going to the circus, but our narrator dreams herself right into the act. She is the graceful horseback rider and the clown. The daring trapeze artist and the dancing dog. The contortionist and the roaring lion. These stars of the circus are depicted in splendid, dramatic portraits by noted watercolorist Robert Rahway Zakanitch. Each vividly colored performer is set against a black background that invokes both a life in the spotlight and the focused landscape of dreams. Poetic and spare, the text invites readers to extend the story in their own imaginations-in their own circus dreams.

The Case of the Unknown Woman,

Miracle's Boys Jacqueline Woodson, 2010-01-07 From a four-time Newbery Honor author, a novel that was awarded the 2001 Coretta Scott King award and the Los Angeles Times Book Prize For Lafayette and his brothers, the challenges of growing up in New York City are compounded by the facts that they've lost their parents and it's up to eldest brother Ty'ree to support the boys, and middle brother Charlie has just returned home from a correctional facility. Lafayette loves his brothers and would do anything if they could face the world as a team. But even though Ty'ree cares, he's just so busy with work and responsibility. And Charlie's changed so much that his former affection for his little brother has turned to open hostility. Now, as Lafayette approaches 13, he needs the guidance and answers only his brothers can give him. The events of one dramatic weekend force the boys to make the choice to be there for each other--to really see each other--or to give in to the pain and problems of every day.

Around and about Basking Ridge, Liberty Corner, and Lyons June O. Kennedy, 1995-07-01 Basking Ridge, Liberty Corner, and Lyons form the nucleus of Bernards Township, a region with a history as fascinating as it is long. Originally chartered in 1760 by King George II, the area figured prominently in the American Revolution: Lafayette's troops were quartered here; General Lee was arrested at Widow White's Tavern; and General Washington visited Lord Stirling's estate. After the Civil War tourism and other industries flourished, and the arrival of the railroad in 1872 brought further economic boom to the area.

While exploring one of America's great main streets during a time of profound transition, the project raises questions about urban flux, gentrification, and the loss of cultural memory. The coffee-table book measures 10.5 x 12 inches / 26.7 x 30.5 cm, features 68 color plates in a linen-clad hardcover with deboss, typeset in Helvetica Neue Light. Offset printing is on Galerie Art Silk 176/gsm paper. Book design is by Patricia Childers with contributions from historian Jonathan Gill and an insightful text by noted author and photography critic Vicki Goldberg.
