The Highland Clans Alistair Moffat, 2013-05-07 "A brisk and accessible guide to a thousand years of reiving and rivalry in the Highlands." —The Scotsman The story of the Highland clans of Scotland is famous, the names celebrated, and the deeds heroic. Having clung to ancient traditions of family, loyalty, and valor for centuries, the clans met the beginning of their end at the fateful Battle of Culloden in 1746. Alistair Moffat traces the history of the clans from their Celtic origins to the coming of the Romans; from Somerled the Viking to Robert the Bruce; from the great battles of Bannockburn and Flodden to Bonnie Prince Charlie and the Jacobite Risings; and from the Clearances to the present day. Moffat is an adept guide to the world of the clans, a world dominated by lineage, land, and community. These are stories of great leaders and famous battles, and of an extraordinary people, shaped by the unique traditions and landscape of the Scottish Highlands. It's a story too about the pain of leaving, with the great emigrations to the United States, Canada, Australia, and New Zealand

that began after Culloden. Complete with a clan map and an alphabetical list of the clans of the Scottish Highlands, this is a must for anyone interested in the history of Scotland.

The Ballad of Frankie Silver Sharyn McCrumb, 2013-03-26 The New York Times Bestseller Set in the Appalachian wilderness and blending legends and folklore with high suspense, this stellar novel, *The Ballad of Frankie Silver*, is considered one of McCrumb's crowning achievements. In 1833 Frankie Silver was an eighteen-year-old girl convicted of murder in Burke County, North Carolina. Through a detailed investigation, the local sheriff, and soon all the townsfolk, discover reason to question her guilt—but the wheels of justice were mercilessly unstoppable, and she was hanged. Now, more than a century later, another woman is convicted of murder in the lush hills of Tennessee. Her life is in the hands of Spencer Arrowood, a man who begins to discover that the convictions of these two women have deep and haunting parallels. Although Frankie's fate cannot be changed, there is still time to alter the fate of another innocent woman. In a voice that could only be Sharyn McCrumb's, the worlds of these two murders, these two women, intersect in this densely plotted and lyrical novel—and characters, generations, and history are breathlessly painted against an Appalachian canvas.

Beyond the Fringe Alan Bennett, 1963 A collection of comic sketches.

The Ballad of Tom Dooley Sharyn McCrumb, 2011-09-13 The Ballad of Tom Dooley is a literary triumph—what began as a fictional re-telling of the historical account of one of the most famous mountain ballads of all time became an astonishing revelation of the real culprit responsible for the murder of Laura Foster Hang down your head, Tom Dooley...The folk song, made famous by the Kingston Trio, recounts a tragedy in the North Carolina mountains after the Civil War. Laura Foster, a simple country girl, was murdered and her lover Tom Dula was hanged for the crime. The sensational elements in the case attracted national attention: a man and his beautiful, married lover accused of murdering the other-woman; the former governor of North Carolina spearheading the defense; and a noble gesture from the prisoner on the eve of his execution, saving the woman he really loved. With the help of historians, lawyers, and researchers, Sharyn McCrumb visited the actual sites, studied the legal evidence, and uncovered a missing piece of the story that will shock those who think they already know what happened—and may also bring belated justice to an innocent man. What seemed at first to be a sordid tale of adultery and betrayal was transformed by the new discoveries into an Appalachian *Wuthering Heights*. Tom Dula and Ann Melton had a profound romance spoiled by the machinations of their servant, Pauline Foster. Bringing to life the star-crossed lovers of this mountain tragedy, Sharyn McCrumb gifts understanding and compassion to her compelling tales of Appalachia, and solidifies her status as one of today's great Southern writers.

family are leaving for America. At their joyous farewell party, Bella meets the charismatic yet shy Sir David Rennie, and it's love at first sight. But meanwhile, Sir David learns that his father has fallen victim to a shady business deal involving a silver mine in America. Tasked by his father to investigate the mine, salvage the investment and save the estate, Sir David hastily embarks for America-unknowingly boarding the same ship as Bella. People in power, vulnerable young women: aboard the ship, Bella is plagued by the deplorable advances of Wilhelm Lederbeiter, the chief steward. When Sir David catches Lederbeiter in the act of assaulting Bella, Sir David and Bella vigorously and effectively thwart the blackguard's intentions. Despite their triumph, Bella and Sir David soon find that Lederbeiter's connections run deep. Upon arrival in America, Bella is kidnapped to and imprisoned in a brothel run by the Lederbeiter family. With life and love on the line, Sir David must rescue Bella-and bring down the Lederbeiter family and their unseemly operation at all costs.

Selected Delanty Greg Delanty, 2017-10-27 A sense of vital, actual experience is in fact wonderfully sustained in Delanty's verse in its notable linguistic energy, product of a distinctive fusion of a literary lexicon (even Latinate at times) with contemporary demotic, Cork argot, Irish language phrases, place names, craft cant and North American slang (baseball lingo in one poem, 'Tagging the Stealer'). The language of his verse functions indeed as the verbal equivalent of the printer's hellbox (subject of one of the finest of Delanty's poems), which the poet tells us 'was a container in which worn or broken type was thrown to be melted down and recast into new type'. For in Delanty's work a world in constant transition (the 'simultaneous going and comings of life') is realized in a vocabulary and variegated tonal register that displays language itself in the process of being re-made. -- Terence Brown, *Greg Delanty and North America*, Agenda, 2008. Following upon his Guggenheim Fellowship, Agenda devoted its Summer/Autumn issue in 2008 to the celebration of Greg Delanty's 50th birthday. In a sense it was a twain celebration, language being re-made and voice re-born by Atlantic Crossings. Ulster people are British and Irish people are Irish, and never the twain shall meet. An adaptation of Oh, East is East, and West is West, and never the twain shall meet. -- Rudyard Kipling, 'Barrack-Room Ballads' (1892). But what, when the twain meet, of Greg Delanty and North America. Un-Gyve Press is pleased to publish this first Selected Delanty.

This Will Make It Taste Good Vivian Howard, 2020-10-20 An Eater Best Cookbook of Fall 2020 From caramelized onions to fruit preserves, make home cooking quick and easy with ten simple kitchen heroes in these 125 recipes from the New York Times bestselling and award-winning author of *Deep Run Roots*. “I wrote this book to inspire you, and I promise it will change the way you cook, the way you think about what’s in your fridge, the way you see yourself in an apron.” Vivian Howard’s first cookbook chronicling the food of Eastern North Carolina, *Deep Run Roots*, was named one of the best of the year by 18 national publications, including the New York Times, USA Today, Bon Appetit, and Eater, and won an unprecedented four IACP awards, including Cookbook of the Year. Now, Vivian returns with an essential work of home-cooking genius that makes simple food exciting and accessible, no matter your skill level in the kitchen. Each chapter of *This Will Make It Taste Good* is built on a flavor hero—a simple but powerful recipe like her briny green sauce, spiced nuts, fruit preserves, deeply caramelized onions, and spicy pickled tomatoes. Like a belt that lends you a waist when you’re feeling baggy, these flavor heroes brighten, deepen, and define your food. Many of these recipes are kitchen crutches, dead-easy, super-quick meals to lean on when you’re limping toward dinner. There are also kitchen projects, adventures to bring some more joy into your life. Vivian’s mission is not to protect you from time in your kitchen, but to help you make the most of the time you’ve got. Nothing is complicated, and more than half the dishes are vegetarian, gluten-free, or both. These recipes use ingredients that are easy to find, keep around, and cook with—lots of chicken, prepared in a bevy of ways to keep it interesting, and common vegetables like broccoli, kale, squash, and sweet potatoes that look good no matter where you shop. And because food is the language Vivian uses to talk about her life, that’s what these recipes do, next to stories that offer a glimpse at the people, challenges, and lessons learned that stock the pantry of her life.
