Song of the Greys Nigel Kerner, 1998 Of all the humanoid alien types that feature in reports of sightings and abductions, the most common is the Grey - smooth and sallow-skinned, small in stature, spindly and thin. Who are they? Where do they come from? What do they want from us?

**The Incas** Gordon F McEwan, 2008-08-26 The Incas: New Perspectives offers a revealing portrait of the ancient Andean empire from the earliest stages of its development to its final capitulation to Pizarro in the mid-16th century. In recent years researchers have employed new tools to get to the heart of the mysterious Inca culture. Drawing on recent work in archaeology, anthropology, ethnohistory, and other sources, The Incas provides the most up-to-date interpretations of Inca culture, religion, politics, economics, and daily life available. Readers will discover how the Incas discovered medicines still in use and kept records using knotted cords; how Inca builders created masterful highways and stone bridges; and how the inhabitants of seemingly unfarmable lands came to give the world potatoes, beans, corn, squashes, tomatoes, avocados, peanuts, and peppers. --Publisher.

**Unidentified** Robert Salas, 2014 In 1969 the U.S. Air Force issued a statement that read 'No UFO reported, investigated and evaluated by the Air Force was ever an indication of threat to our national security. This statement is patently false. It has been proven untrue by the testimony of many military officers and airmen and documentation of incidents involving UFOs and nuclear weapons, testimonies of which the U.S. Air Force was fully aware. Unidentified details many of these testimonies, some for the first time. As partial justification for its position, the Air Force cites a University of Colorado study that was contracted and paid for by federal funds. Unidentified reveals how this study was actually just another part of the plan to cover up the reality of the UFO phenomenon. For the first time, Unidentified publishes evidence that the investigators for the Colorado study knew about the UFO-related missile shutdown incidents but did not investigate them or include them in their final report.

Majic Eyes Only Ryan S. Wood, 2005 MAJIC EYES ONLY is the most authoritative and comprehensive chronicle ever published on the subject of worldwide UFO crashes and subsequent military retrievals from 1897 to the present. The author

guides the reader through 74 UFO crash incidents supported by compelling evidence in the form of official documents, eyewitnesses and in some cases physical evidence. Since 1984, multiple sources have leaked, revealed or discovered some 3,500 pages of UFO documents, hundreds classified Top Secret and linked to Majestic-12. These MJ-12 documents, coupled with the Leonard Stringfield data and strong investigations by other case experts, provide a powerful core of UFO crash incidents.

**Above Black** Dan Sherman, 1997 Dan Sherman, [a 12-year, decorated veteran of the US Air Force], spent almost three years as an intuitive communicator while serving in the USAF. In Above black, te tells of his training, things he learned from his alien contacts and the events that led him to seek a discharge from the US Air Force--adapted from page [4] of cover.
