A Paris Apartment Michelle Gable, 2014-04-22 The New York Times Best Seller! Now with an excerpt of Michelle's new book, I'll See You in Paris! Bienvenue à Paris! When April Vogt's boss tells her about an apartment in the ninth arrondissement that has been discovered after being shuttered for the past seventy years, the Sotheby's continental furniture specialist does not hear the words dust or rats or decrepit. She hears Paris. She hears escape. Once in France, April quickly learns the apartment is not merely some rich hoarder's repository. Beneath the cobwebs and stale perfumed air is a goldmine, and not because of the actual gold (or painted ostrich eggs or mounted rhinoceros horns or bronze bathtub). First, there's a portrait by one of the masters of the Belle Epoque, Giovanni Boldini. And then there are letters and journals written by the very woman in the painting, Marthe de Florian. These documents reveal that she was more than a renowned courtesan with enviable décolletage. Suddenly April's quest is no longer about the bureaux plats and Louis-style armchairs that will fetch millions at auction. It's about discovering the story behind this charismatic woman. It's about discovering two women, actually. With the help of a salty (and annoyingly sexy) Parisian solicitor and the courtesan's private diaries, April tries to uncover the many secrets buried in the apartment. As she digs into Marthe's life, April can't help but take a deeper look into her own. Having left behind in the States a cheating husband, a family crisis about to erupt, and a career she's been using as the crutch to simply get by, she feels compelled to sort out her own life too. When the things she left bubbling back home begin to boil over, and Parisian delicacies beyond flaky pâtisseries tempt her better judgment, April knows that both she and Marthe deserve happy finales. Whether accompanied by croissants or champagne, this delectable debut novel depicts the Paris of the Belle Epoque and the present day with vibrant and stunning allure. Based on historical events, Michelle Gable's *A Paris Apartment* will entertain and inspire, as readers embrace the struggles and successes of two very unforgettable women.

There Will Be No Miracles Here Casey Gerald, 2018-10-02 NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWS HOUR-NEW YORK TIMES BOOK CLUB PICK Somehow Casey Gerald has pulled off the most urgently political, most deeply personal, and most engagingly spiritual statement of our time by just looking outside his window and inside himself. Extraordinary. —Marlon James Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir. —BookPage The testament of a boy and a generation who came of age as the world came apart—a generation searching for a new way to live. Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides. His story begins at the end of the world: Dallas, New Year's Eve 1999, when he gathers with the congregation of his grandfather's black evangelical church to see which of them will be carried off. His beautiful, fragile mother disappears frequently and mysteriously; for a brief idyll, he and his sister live like Boxcar Children on her disability checks. When Casey—following in the footsteps of his father, a gridiron legend who literally broke his back for the team—is recruited to play football at Yale, he enters a world he's never dreamed of, the anteroom to secret societies and success on Wall Street, in Washington, and beyond. But even as he attains the inner sanctums of power, Casey sees how the world crushes those who live at its margins. He sees how the elite perpetuate the salvation stories that keep others from rising. And he sees, most painfully, how his own ascension is part of the scheme. *There Will Be No Miracles Here* has the arc of a classic rags-to-riches tale, but it stands the American Dream narrative on its head. If to live as we are is destroying us, it asks, what would it mean to truly live? Intense, incantatory, shot through with sly humor and quiet fury, *There Will Be No Miracles Here* inspires us to question—even shatter—and reimagine our most cherished myths.

In the Lake of the Woods Tim O'Brien, 2006-09-01 A politician's past war crimes are revealed in this psychologically haunting novel by the National Book Award-winning author of *The Things They Carried*. Vietnam veteran John Wade is running for senate when long-hidden secrets about his involvement in wartime atrocities come to light. But the loss of his political fortunes is only the beginning of John's downfall. A retreat with his wife, Kathy, to a lakeside cabin in northern Minnesota only exacerbates the tensions rising between them. Then, within days of their arrival, Kathy mysteriously vanishes into the watery wilderness. When a police search fails to locate her, suspicion falls on the disgraced politician with a violent past. But when John himself disappears, the questions mount—with no answers in sight. In this contemplative thriller, acclaimed author Tim O'Brien examines America's legacy of violence and warfare and its lasting impact both at home and abroad.

The War for Late Night Bill Carter, 2010-11-04 Bill Carter, executive producer of CNN's docuseries *The Story of Late Night* and host of the *Behind the Desk: Story of Late Night* podcast, details the chaotic transition of *The Tonight Show* from

host Jay Leno to Conan O'Brien—and back again. In 2010, NBC's CEO Jeff Zucker, had it all worked out when he moved Jay Leno from behind the desk at The Tonight Show, and handed the reins over to Conan O'Brien. But his decision was a spectacular failure. Ratings plummeted, affiliates were enraged—and when Zucker tried to put everything back the way it was, that plan backfired as well. No one is more uniquely suited to document the story of a late-night travesty than veteran media reporter and bestselling author, Bill Carter. In candid detail, he charts the vortex that sucked in not just Leno and O'Brien—but also Letterman, Stewart, Fallon, Kimmel, and Ferguson—as frantic agents and network executives tried to manage a tectonic shift in television's most beloved institution.

My Ideal Bookshelf Thessaly La Force, 2012-11-13 The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In *My Ideal Bookshelf*, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

Good and Cheap Leanne Brown, 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that

maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

A Scandalous Woman and Other Stories Edna O'Brien, 1976-01

Transforming the Workforce for Children Birth Through Age 8 National Research Council, Institute of Medicine, Board on Children, Youth, and Families, Committee on the Science of Children Birth to Age 8: Deepening and Broadening the Foundation for Success, 2015-07-23 Children are already learning at birth, and they develop and learn at a rapid pace in their early years. This provides a critical foundation for lifelong progress, and the adults who provide for the

care and the education of young children bear a great responsibility for their health, development, and learning. Despite the fact that they share the same objective - to nurture young children and secure their future success - the various practitioners who contribute to the care and the education of children from birth through age 8 are not acknowledged as a workforce unified by the common knowledge and competencies needed to do their jobs well. *Transforming the Workforce for Children Birth Through Age 8* explores the science of child development, particularly looking at implications for the professionals who work with children. This report examines the current capacities and practices of the workforce, the settings in which they work, the policies and infrastructure that set qualifications and provide professional learning, and the government agencies and other funders who support and oversee these systems. This book then makes recommendations to improve the quality of professional practice and the practice environment for care and education professionals. These detailed recommendations create a blueprint for action that builds on a unifying foundation of child development and early learning, shared knowledge and competencies for care and education professionals, and principles for effective professional learning. Young children thrive and learn best when they have secure, positive relationships with adults who are knowledgeable about how to support their development and learning and are responsive to their individual progress. *Transforming the Workforce for Children Birth Through Age 8* offers guidance on system changes to improve the quality of professional practice, specific actions to improve professional learning systems and workforce development, and research to continue to build the knowledge base in ways that will directly advance and inform future actions. The recommendations of this book provide an opportunity to improve the quality of the care and the education that children receive, and ultimately improve outcomes for children.

Three Pianos Andrew McMahon, 2021-10-26 From beloved indie musician Andrew McMahon comes a searingly honest and beautifully written memoir about the challenges and triumphs of his life and career, as seen through the lens of his personal connection to three pianos. Andrew McMahon grew up in sunny Southern California as a child prodigy, learning to play piano and write songs at a very early age, stunning schoolmates and teachers alike with his gift for performing and his unique ability to emotionally connect with audiences. McMahon would go on to become the lead singer and songwriter for Something Corporate and Jack's Mannequin, and to release his debut solo album, *Andrew McMahon in the Wilderness*, in 2014. But behind this seemingly optimistic and quintessentially American story of big dreams come true lies a backdrop of overwhelming challenges that McMahon has faced—from a childhood defined by his father's struggle with addiction to his very public battle with leukemia in 2005 at the age of twenty-three, as chronicled in the intensely personal documentary *Dear Jack*. Overcoming those odds, McMahon has found solace and hope in the things that matter most, including family, the healing power of music and the one instrument he's always turned to: his piano. *Three Pianos* takes readers on a beautifully rendered and bitter-sweet American journey, one filled with inspiration, heartbreak, and an unwavering commitment to shedding our past in order to create a better future.

Central to Their Lives Lynne Blackman, 2018-06-20 Scholarly essays on the achievements of female artists working in and inspired by the American South Looking back at her lengthy career just four years before her death, modernist painter Nell Blaine said, Art is central to my life. Not being able to make or see art would be a major deprivation. The Virginia native's creative path began early, and, during the course of her life, she overcame significant barriers in her quest to make and even see art, including serious vision problems, polio, and paralysis. And then there was her gender. In 1957 Blaine was hailed by Life magazine as someone to watch, profiled alongside four other emerging painters whom the journalist praised not as notable women artists but as notable artists who happen to be women. In *Central to Their Lives*, twenty-six noted art historians offer scholarly insight into the achievements of female artists working in and inspired by the American South. Spanning the decades between the late 1890s and early 1960s, this volume examines the complex challenges these artists faced in a traditionally conservative region during a period in which women's social, cultural, and political roles were being redefined and reinterpreted. The presentation—and its companion exhibition—features artists from all of the Southern states, including Dusti Bongé, Anne Goldthwaite, Anna Hyatt Huntington, Ida Kohlmeyer, Lois Mailou Jones, Alma Thomas, and Helen Turner. These essays examine how the variables of historical gender norms, educational barriers, race, regionalism, sisterhood, suffrage, and modernism mitigated and motivated these women who were seeking expression on canvas or in clay. Whether working from studio space, in spare rooms at home, or on the world stage, these artists made remarkable contributions to the art world while fostering future generations of artists through instruction, incorporating new aesthetics into the fine arts, and challenging the status quo. Sylvia Yount, the Lawrence A. Fleischman Curator in Charge of the American Wing at the Metropolitan Museum of Art, provides a foreword to the volume. Contributors: Sara C. The Dirty Dust Máirtín Ó Cadhain, 2015-03-01 Máirtín Ó Cadhain's irresistible and infamous novel *The Dirty Dust* is consistently ranked as the most important prose work in modern Irish, yet no translation for English-language readers has ever before been published. Alan Titley's vigorous new translation, full of the brio and guts of Ó Cadhain's original, at last brings the pleasures of this great satiric novel to the far wider audience it deserves. In *The Dirty Dust* all characters lie dead in their graves. This, however, does not impair their banter or their appetite for news of aboveground happenings from the recently arrived. Told entirely in dialogue, Ó Cadhain's daring novel listens in on the gossip, rumors, backbiting, complaining, and obsessing of the local community. In the afterlife, it seems, the same old life goes on beneath the sod. Only nothing can be done about it—apart from talk. In this merciless yet comical portrayal of a closely bound community, Ó Cadhain remains

keenly attuned to the absurdity of human behavior, the lilt of Irish gab, and the nasty, deceptive magic of human connection.

Red Dress in Black and White Elliot Ackerman,2021-04-27 From the widely acclaimed author of *Waiting for Eden*: a stirring, timely new novel that unfolds in Istanbul over the course of a single day, when an American woman attempts to leave behind her life in Turkey--and her marriage. Catherine has been married for many years to Murat, an influential Turkish real estate developer, and they have a young son, William. But when she decides to return home to the United States with William and her lover, Peter, Murat takes a stand. He enlists the help of an American diplomat to prevent them from going--and, in so doing, becomes further enmeshed in a web of deception and corruption. As the hidden architecture of these relationships is gradually exposed, we move to the heart of intersecting worlds populated by struggling artists, wealthy businessmen, expats, spies. And, at the center, a child torn between his parents. Riveting and perceptive, *Red Dress in Black and White* is a novel of personal and political intrigue, a portrait of a nation on the brink.

El Birdos Doug Feldmann,2010-03-22 In 1953, August A. Busch purchased the St. Louis Cardinals for nearly four million dollars. His dream included not only the best players money could buy but a brand new Busch Stadium in downtown St. Louis. The early sixties found Busch working on both, and by May 1966, when the new Busch Stadium was opened, the St. Louis Cardinals were on the cusp of greatness. A world championship would follow in 1967, and in 1968 the Cardinals battled the Tigers in a classic seven-game series, narrowly losing their bid for back-to-back titles. This volume looks back at the outstanding Cardinal teams of the 1967 and 1968 seasons. Beginning with the ownership shift in the early 1950s, it examines the events leading up to the opening of the new stadium and tracks the various player trades, policy changes and inside dealings of baseball that produced one of the era's great teams. The effects of Branch Rickey's farm system on both the franchise's success and the sport of baseball are discussed, as are the rumblings of labor trouble that would directly involve one of the Cardinals' own. An appendix contains detailed statistics from the 1967 and 1968 seasons. An index and period photographs are also included.

ULYSSES (Modern Classics Series) James Joyce,2024-01-10 This carefully crafted ebook: *ULYSSES (Modern Classics Series)* is formatted for your eReader with a functional and detailed table of contents. *Ulysses* is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called a demonstration and summation of the entire movement. *Ulysses* chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. *Ulysses* is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided *Ulysses* into 18 chapters or episodes. At first glance much of the book may appear unstructured

and chaotic; Joyce once said that he had put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant, which would earn the novel immortality. James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, the short-story collection Dubliners, and the novels A Portrait of the Artist as a Young Man and Finnegans Wake.
